1ST TEAM 2018; IEEE INDONESIA -TELKOMNIKA COLLABORATION TO ENHANCE REPUTABLE JOURNAL PUBLICATIONS

Reported By:Tole Sutikno
tole.ee.uad.ac.id

The publication of scientific articles in Indonesia is experiencing a significant increase in number. By the 2017, Indonesia has 12000 publications in reputable journals. Considering this significant amount, it is necessary to improve the quality of content publications. As English language is a foreign language, some Indonesian authors have problems in writing a publication article. Aware of this TELKOMNIKA, as one of the reputable journals in Indonesia, together with IEEE Indonesia Section collaborated in the work of quality improvement.

Located at the Eastparc Hotel Yogyakarta (1-2 February 2018), the event titled 1st TEAM 2018 brought together editors and authors from TELKOMNIKA journals. This meeting expected to give a positive impact on the quality of scientific publications Indonesia. Dr. Sadjuga, MSc, as Director of Intellectual Property Management of the Ministry of Research Technology and Higher Education of the Republic of Indonesia (Kemenristekdikti) conveyed to the participants about the policy *"Indonesia Menulis 2018"*, the policy to lift the quality and quantity of Indonesian scientific publication in reputable journals

Dr. Sadjuga, MSc,

Prof. Dr. Ir. Fitri Yuli Zulkifli

Prof. Dr. Ir. Fitri Yuli Zulkifli, Chair of IEEE Indonesia, delivered the standard of writing qualified scientific articles according to IEEE and international rules. She also expects IEEE Indonesia members actively involve in the publication activity. Thus, all elements will support each other in improving the quality and quantity of Indonesian scientific publications.

This event was attended by 47 people with 11 IEEE members.

CONFERENCE NEWS

The IEEE Member and Geographic Activities Board approved the following TCS Fee Motion as final policy for handling the TCS fees at the November 2017 IEEE Meeting

For all conference applications received 1 Jan 2018 or later, in which an MGA Geographic Unit is a technical co-sponsor, the MGA TCS Fee Policy shall apply. Starting 1 March 2018, IEEE MCE will deploy processes to collect the TCS fees for conferences with applications **submitted 1 January 2018 or later.**

MGA and MCE are working together to support geographic units during this transition. You can expect more detailed communications about TCS fees, related website content, and webinar training in early 2018.

If you would like more information on this new allocation process or have any questions, please contact at mgatcs@ieee.org.

For any technically co-sponsored conference in which there is no (0%) IEEE financial interest, the MGA co-sponsor shall arrange (via an approved MoU) for recovery of IEEE operation cost in the form of TCS fees.

Effective for conferences for which the creation of the MoU starts after 1 Jan 2018, the fees are **$1,000 per event plus $15 for each paper** that is optionally published in Xplore. As an exception to this general policy, MGA will continue to pay those fees in the external (non-IEEE) financial sponsor has a national society agreement with IEEE or has a sister society agreement with one or more of the IEEE societies.
